

Multi-Currency IBAN Bank Accounts

The provision of corporate banking services has become a big challenge for High Risk Merchant Clients due to a drastic change in the risk & compliance policies imposed by the majority of International Banking Institutions.

At Processing Partners, we are very pleased to announce that we managed to partner with a Tier 1 Correspondent Corporate Banking Partner in effort to secure Multi-Currency IBAN Bank Accounts for our merchant clients.

Take advantage of our new full-service corporate banking solution. Not only do we find you a suitable banking partner, we also assist with all of the required paperwork and applications in order to offer you the best possible banking solutions.
